Canada's Gardening Guru Mark Cullen Appearing March 18th-22nd at Canada Blooms and Launching 18th book

The Canadian Garden Primer, An Organic Approach

TORONTO, Feb. 23, 2009: Canada's best-known and best-loved gardener, Mark Cullen, is also one of the country's most widely read authors connecting Canadians with information pertaining to the climate in which they live and garden. With the release of his 18th book, *The Canadian Garden Primer, An Organic Approach*, Cullen covers a variety of topics ranging from growing environmentally friendly fruits and vegetables to sustainable ornamental and lawn gardening –all with vividly photographed full-colour shots.

Topics explored in his latest book, ranging from organic gardening, city gardens, urban gardens, and country landscape design throughout the week – the perfect way to ring in Spring and pick up a few tips.
